ABOUT THE ARTISTS

Five-time Grammy® Award winners, Blind Boys of Alabama released their album *Almost Home* on all platforms under Single Lock Records. The 12-song collection serves as a fitting capstone to a seven-decade career that has both defined the sound of the American south and pushed it forward from the 20th century and into the 21st. Recently, they released a Grammy® Award-nominated collaborative recording with Béla Fleck, along with recordings and coinciding tours with both Marc Cohn and afro-pop duo Amadou & Mariam. The group has appeared on *The Tonight Show*, *60 Minutes*, NPR's "Tiny Desk Concert" and many others. Blind Boys have performed at the White House for three presidents and in their home state of Alabama at the closing ceremonies of the World Games in 2022.
